What can we say about Fjord weddings and Elopements other than what an amazing company. Everything Paul did for us was done to perfection. Everyone who came to our wedding enjoyed every second of it from the locations to the food and also to all the people involved making it possible. Thank you Paul for such an amazing and unforgettable experience.

local experts

We are fjord locals and fjord heritage is our everyday life.

Our wedding suppliers are locals who themselves are part of the living cultural landscape. Such as a farmer come foodie guide who does our catering and a local land owner who offers the fjord's most stunning private jetty wedding ceremony location.

Together, we offer truly unique and genuine fjord experiences with Norwegian fjord heritage built into everything we do.

If unforgettable is what you desire, let's begin...

PLAN YOUR DREAM FJORD WEDDING

THE PERFECT LOCATION FOR YOUR WEDDING

Fjord Weddings & Elopements arranges romantic events focussed on authentic Norwegian fjord heritage, blended with modern boho styling, surrounded by stunning nature & spectacular fjords.

Located in Aurland, one of the most beautiful places in Norway. We are surrounded by spectacular fjords and one of them even made it to the UNESCO World Heritage List for outstanding beauty and living heritage.

Aurland is the perfect location for your wedding because it is so easy to reach from Norway's two biggest cities Bergen and Oslo. All you do is jump on a train, rent a car or book our executive minivan airport transportation. Bergen is 2.5 hours and Oslo 4.5 hours away. The journey here is also very nice but the best is saved for your arrival in the fjords.

We offer customised all-inclusive wedding packages that save you time and money and make it so easy to get married in the fjords.

Have everything set up for you so you can enjoy every minute of your time in the fjords. We can provide everything from ceremony, wedding decoration, flowers, transport, accommodation, officiant, photographer & drone video to champagne celebration and evening dinner. You will need to apply yourself for an official for a legal marriage. We will guide you through this.

You can have your wedding reception outside under the stars in nature, or at one of the local historic dinner venues that will create outstanding celebrations for your event.

We specialise in intimate and unique and every detail is filled with rustic Norwegian heritage.

With the local suppliers, many things are possible here in Aurland from Viking longship, horse & carriage, hiking adventures, glacier hikes & speed boat, to campfire lunch & evening dinner under the stars.

The area has a lot of very nice accommodation options for all budgets which your guests will love. They will also really enjoy exploring the outstanding natural beauty in the area and we can set all that up for them.

We invite you to come and join us in the fjords, kick back, relax and truly enjoy the fjord way of life as you celebrate your love story...
